JOHN E. KELLOGG PRINCIPAL PLANNER

johnk@pcimontana.com

PROFESSIONAL EXPERIENCE:

Mr. Kellogg joined PCI in February 1993 as a Land Use Planner. He is responsible for a wide variety of land use planning functions at PCI, including:

- Development Layout and Design
- Zoning Applications
- Land Use Variances
- Environmental Site Assessment and Analysis
- Federal and State Grant Applications
- Subdivision Planning
- Housing and Population Analysis
- Development Impact Assessment

He has designed commercial and residential projects, including condominium, townhouse and single-family developments.

Mr. Kellogg's planning experience started with the City of San Antonio in 1972, and has included planning projects in Pennsylvania, New York, New Jersey and Montana. In 1975 he was appointed Powell County Planning Director in Deer Lodge, Montana, where he prepared the first County Land Use Plan, drafted zoning regulations, supervised a housing inventory, and reviewed subdivisions. In 1978 he joined the staff of the Missoula Planning Office (later called Office of Community Development, and the Office of Planning & Grants), where he worked for 10 years, handling comprehensive planning, housing planning and subdivision review. He also prepared and administered Community Development Block Grants (CDBG) for both the City and County of Missoula.
